

## Leadership with the Conservative Party

“ Thank you so much for the excellent course you organised for us last week. Both Parliamentary Candidates and the Regional staff who took part thoroughly enjoyed the day, but more importantly, have spoken to me about the insights they took on board from both the group activities and the discussions.

In one or two cases it was almost possible to see lightbulbs switching on over heads as we progressed through the day!!! It was also very thoughtful of you to give us the framed photo as a lasting memento of our day, so thank you for that also. It is on the wall in our Regional Campaign Centre! ”
